Subject: Major Injury Traffic Collision – File #P12007471

Riverside, CA: On January 15, 2012 at 9:49 am, members of the Riverside Police and Fire Departments responded to a major injury collision on Central Avenue in front of the apartments at 600 Central. The collision involved two vehicles.

A twenty two year old male, along with his twenty one year old female passenger, were driving a 2007 Lexus sedan exiting the parking lot of 600 Central. The vehicle pulled out of the driveway in an attempt to make a westbound turn onto Central. The vehicle pulled into the path of an eastbound 2012 Chrysler 300 driven by a twenty eight year old male. That vehicle broadsided the Lexus in the #2 lane of eastbound Central, causing major damage to both vehicles.

The driver of the Lexus had to be extricated from the vehicle by RFD personnel. He was transported to Riverside County Regional Medical Center where he is in critical condition. His female passenger was taken to Riverside Community Hospital, also in critical condition.

The driver of the Chrysler 300 was taken to Riverside Community Hospital where he is in stable condition.

The Riverside Police Department Major Accident Investigation Team (M.A.I.T.) responded to the scene and the collision is under investigation.

Anyone with any information is asked to contact Detective Rick Prince at (951) 826-8722

Sergeant Dan Reeves
